

## FIELD TRIP CONSENT FORM

Dear Parent/Guardian:

As you are aware, your child will be going on a field trip at the end of their Summer Camp. We will be traveling by hired coach and plan to leave the National Aquatic Centre at 10.30am and return by 3pm. The following items are needed for the trip; healthy packed lunch, suitable clothing, and a small food treat. In order for your child to participate in the above-mentioned field trip, the National Aquatic Centre requires parent/guardian consent. Your signature not only gives permission for your child to participate, but also authorizes the camp leader to take emergency action (medical attention) should a situation occur requiring such action. Please complete and return this form if you choose to have your child involved with this activity.
